

## SUMMARY

Computer Information System graduate with specialization in database management and currently pursuing Digital Culture (MA) at ASU.

## EDUCATION

**Computer Information System (BSE)**  
Arizona State University, Tempe, AZ

Summer 2018

**Digital Culture (MA)**  
Arizona State University, Tempe, AZ

In Progress

## EXPERIENCE/PROJECTS

### Business Database Systems

Fall 2017

- Designed database systems for efficient data management, storage, querying, and processing
- Captured business requirements using data modeling, SQL, operational and analytical data stores and data integrity
- Generated ERD based on client's requirements and converted it into a relational database

### Mini Trivia Game with C#

Spring 2018

- Used C# to create a trivia game with GUI.
- The game allows users to create, edit, save, and load their questionnaire.
- Allow users to play trivia created by other users and show the results.

### Portfolio Website Development Capstone

Summer 2018

- Used WordPress to create a website for client
- Used SCRUM techniques to monitor progress and fulfill requirements with the client
- Added new functionalities that allow customers to purchase client's merchandise through a secured payment system

### Web Technologies for e-Commerce

Spring 2018

- Developed web applications for handling business transactions and strategies
- Used HTML, CSS, and JavaScript to develop an e-commerce website

## TECHNICAL SKILLS

- **Programming Languages:** SQL, JavaScript, C#, HTML/CSS, Java, Python
- **Software:** MySQL, Visual Studio, Microsoft Excel, Microsoft Word, Access
- **Operating Systems:** MacOS, Windows
- **Languages:** English, Mandarin Chinese, Cantonese
